Dear Ms. Myers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Please clarify all expenditures made for "Design and Produce Brochure", "Postage" and "Postage for Direct Mail" on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B or E supporting Lines 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-You have previously indicated that your committee has been using "best efforts" to obtain the full name, mailing address, occupation and name of employer for each contributor. However, an increasing number of entries lack this information. Please amend your report by supplying the omitted information or providing an explanation of your efforts in this regard. 11 CFR §§104.3(a)(4)(i) and 104.7

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee.

Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1393.

Sincerely,
